HOW TO PLAY HIDE-A-HAWK

Visit participating businesses, find the hidden hawk, and return it to the cashier or host stand to collect your sticker.

Every time you collect 3 new stickers, take a photo of your passport and submit it in one of these ways:

1. **Post it on Facebook or Instagram (@hanoverchamberma) and tag the Hanover Chamber of Commerce**
2. **Send the photo to the Chamber via direct message**
3. **Email your photo to chamber@hanovermachamber.com**

Each submission earns you one entry into that week's drawing for prizes donated by participating businesses!

The search ends on Sunday, December 20.

Follow the Hanover Chamber of Commerce on social to see if you win!

Drawings take place every Saturday, and winners will be announced on the Chamber's social media pages and notified directly. You do not need to be present to win.
